

RESPONSIBLE TOURISM

Tanoa Aspen Hotel, its owners, management and staff are committed to ensuring that they are involved in ensuring that this property and the persons involved with it are fully committed to Responsible Tourism.

This includes;

- That all Hotel team members are encouraged to be actively involved on an ongoing basis in ensuring we use best practice in all matters pertaining to **Responsible Tourism**.
- Educating and encouraging our guests, suppliers and contractors to utilize sustainable and environmental practices.
- That we set and maintain the bench mark for the local community and give every support and encouragement for the implementation of suitable initiatives.
- We maintain regular internal and external information sharing to ensure we update our commitment to **Responsible Tourism** that we actively follow up on new concepts and initiatives.
- That our environmental targets and results are monitored and published.
- That we actively recognise and reward those that make an ongoing contribution and bring forward new initiatives.
- That we ensure that **Responsible Tourism** becomes an integral part of the Tanoa Aspen Hotel daily work practices and operating policies.
